

A diagram illustrating the relationship between a variable and its value. A vertical dotted line separates the 'Variables' column on the left from the 'Values' column on the right. A horizontal dotted line runs across the middle. In the 'Variables' column, there is a gray rectangular box containing the word 'original'. A solid black arrow points from this box to a white rectangular box with a black border in the 'Values' column. This box contains the number '32'.
